
1-5-7: PHOTOGRAPHY AND RECORDING AT PUBLIC MEETINGS

Location Of Nonflash Still Cameras And Video Recorders During Public Meetings: All nonflash still cameras and video recorders shall be located at the rear of the room unless permitted by the public body. All cameras and video recorders shall be located behind the last row of seating unless permitted by the public body. At no time during the public meeting shall cameras or video recorders be moved from the designated area at the rear of the room unless permitted by the public body. Movement of cameras or video recording devices from the designated area without permission from the public body shall be cause for removal from the public meeting. No cameras, tripods, or crews may be permitted in any exit, pathway, or aisle, and cords may not be run across pathways, aisles, or exits unless permitted by the public body.
