Serving on the City Council the last four years, I've worked hard to make our city a safer, better place to live and raise families. We've grown – and grown up since then! We now have a beautiful Walmart providing convenience and added tax revenue. Recreational opportunities for our youth have been restored. Positive steps have been taken to relieve the financial burden of the golf course bond. Additionally, our city infrastructure has received vital updates and enhancements. But most important, these things were accomplished on a tight, conservative budget. As a city councilman, I have fought hard to protect your tax dollars, winning tax decreases the last two years (the only city in Utah County to do so!). But that is not enough. There is more that can and should be done. Our community's future is bright IF we exhibit fiscal discipline, engage in wise planning and communicate effectively with each other. With experience on both the Planning Commission and City Council, I am ready to represent you as your Mayor. You can read more about my opinions at www.aboutcedarhills.org or my campaign website www.vote4eric.com. I'd appreciate your support! * Community * Communication * Commerce * Planning * Finance *
