

A Textron Company

PROPOSAL

Cedar Hills Golf Club
Cedar Hills, UT
Attn: Brian Cloud

January 8, 2015

Goal

- Immediately upgrade turf maintenance equipment at Cedar Hills Golf Club
- Trade-in equipment from existing fleet that will be replaced by the new equipment, or is no longer used/needed
- Decrease repair and maintenance budget at Cedar Hills Golf Club by operating new, under warranty equipment

Equipment

- (2) Jacobsen Eclipse 322 diesel hybrid triplex greens mowers complete with 15-blade reels **\$31,500 each or \$63,000 extended**
- (1) SmithCo Spray Star 3180 318-gallon dedicated sprayer complete with Raven 440 computerized spray control and foam marker **\$41,150**
- Less (1) trade-in Jacobsen AR-2500 **\$2,500**, (1) Toro 3150 **\$2,000**, (1) Cushman SDI sprayer **\$3,500**
- **Equipment total: \$96,150**

Delivery to be scheduled for February 15, 2015

Next Steps

- Signing and returning this proposal secures this equipment for Cedar Hills Golf Club

By signing this proposal Cedar Hills Golf Club/Cedar Hills City places the selected equipment listed on this proposal on order with RMT Equipment and accepts responsibility for any and all costs associated with cancellation charges that could be incurred.
