Stars United

The City of Cedar Hills will allow Mesquite Soccer Park to be the home field for all homes games played by Stars United teams as well as their practices. The usage of the field by Stars United will be coordinated with the City of Cedar Hills Recreation Staff and will be approved based on the City's programming as well as payment being received.

Stars United will continue to provide all paint and the painting of our fields for all recreation programs and they will also notify their participants of the City's soccer programs which are not provided by Stars United. Additionally, Stars United agrees to pay Cedar Hills \$500 for the year for the use of the fields for wear and tear repairs. Stars will provide officials for our Teen Soccer program that takes place April-May as well as coordinate and run the 3v3 soccer tournament that will run concurrent to our Cedar Hills Family Festival. Cedar Hills will pay for t-shirts and medals for the winners.

Regards,

City of Cedar Hills
