Lessee is responsible for the maintenance of this equipment including
service meter while in his possession; any damage to this equipment
resulting from improper care or maintenance will be charged directly
to lessee.

TIRE CHARGE

In addition to the rental charges, lessee agrees to pay a charge, payable at the end
of the lease term, for all wear or damage to rubber tires used on the equipment.

Upon return of the equipment the tire tires will be appraised by the lessor as to
their then condition and lessee agrees to pay for any exhaustion through tread wear,
cuts, cord separation, or any deterioration whatsoever during the use by lessee.
Any new tire installed by lessee will be taken into account in computing usage
on the foregoing basis.

UNDERCARRIAGE

Undercarriage wear will be based on a service life of 4,000 hours. Undercarriage
components include tracks, sills, shoes, rollers, idlers, and sprockets. Charges for
accelerated wear will be assessed upon return of the equipment and lessee agrees
to pay for any excessive wear.

Lessee hereby leases the equipment described above from lessor and agrees to the rental terms and
conditions on the reverse side.
