The City of Cedar Hills will allow Mesquite Soccer Park to be the home field for home games played by Utah Arsenal teams as well as practices for their 4-5 local teams. The usage of the field by Utah Arsenal must first be coordinated with the City of Cedar Hills Recreation Staff before working with the state agency on your schedules and will be approved based on the City's programming as well as payment being received.

Utah Arsenal will continue to provide all paint and the painting of the fields for all of our recreation programs, they will also notify their participants of the City's soccer programs which are not provided by Utah Arsenal. Additionally, Utah Arsenal agrees to pay Cedar Hills \$800 from July 2018 until June 2019 for the use of the field for wear and tear repairs. Cedar Hills will take over all the officiating in house for our teen soccer program.
