

Denise Andersen

2017 Candidate for City Council

I'm Denise Andersen, and I'm running for Cedar Hills City Council. Our city is amazing, and I'm committed to ensuring that, for our city, the best is yet to come. Cedar Hills can't rest on its laurels. Maintaining and improving our community requires new people at the table, fresh perspectives, and a positive voice.

I have served on the city's beautification committee, and I currently serve as GOP precinct chair and as advocate VP on the Lone Peak PTA council. I was also just appointed to serve as interim city council member.

My family has lived in Cedar Hills for 25 years. My husband Mark and I raised our five children here. We run our businesses here, and will keep our roots here. I work from home, managing my husband's film production company, along with our rental properties. My experience provides me with an understanding of large budgets, financial projections, and strategic development. I happily organized the famous annual 1K Donut Run for charity.

I've watched Cedar Hills grow from a handful of homes along Cedar Hills Drive to the spectacular city it is today. I'll help preserve its charm, while carefully ushering it into an extraordinary future.
