Cedar Hills Spring Clean-Up

The city will sponsor its annual "Spring Clean-Up" on **Saturday, April 27**, and **Saturday, May 4**. Large roll-off dumpsters will be available at the following locations:

- 1) Sunset Park – 9814 N Dorchester Drive
- 2) Heritage Park – 4450 W Cedar Hills Drive
- 3) Recreation Center – 10640 N Clubhouse Dr.
- 4) Timpanogos Cove Park – 9508 N Timpanogos Cove
- 5) Morgan Blvd/Sage Vista Drive

Dumpsters will be available on the two designated Saturdays from 7:00 a.m. until NOON ONLY. If you are unable to utilize the dumpsters on these two days, the city provides each household with two landfill passes per year. Please review the following guidelines to ensure safety and convenience:

- 1) **Do not place any of these items in the dumpsters:** car tires, car batteries, motor oil, appliances, electronic devices, concrete, construction materials, or liquids of any type.
- 2) Tree limbs should not exceed 6 inches in diameter and 12 feet in length.
- 3) If the dumpster is full, please take the load to another location to avoid scattering debris or creating difficulty in hauling away the dumpster.

Household Hazardous Waste Collection Day

Utah County residents with household hazardous waste items such as old gasoline, paint, fluorescent light bulbs, batteries, and unused medications will be offered safe disposal of these items at a Household Hazardous Waste Collection Day on **Saturday, April 13**, from 9:00 a.m. to 3:00 p.m. The collection will take place in the west parking lot of the Provo Towne Centre Mall in Provo. For details, including a list of what will or will not be collected, please visit the Utah County Health Department website or call 801-225-8538.

PROVO Household Hazardous Waste Collection Day 2019 For Utah County Residents
April 13, 2019
9 am - 3 pm
Provo Towne Centre Mall west parking lot
— NO COMMERCIAL OR MUNICIPAL WASTE —

What TO bring:	What NOT TO bring:
<ul style="list-style-type: none"> Medications Gasoline/ fuels / motor oil Antifreeze Batteries (auto, ATV, laptop, tools, hearing aids, sealed lead acid(SLA)) Solvents / paint thinners Aerosol cans / paints / stains Pesticides / herbicides Fluorescent light bulbs Glues / adhesives Mercury thermometers Photographic chemicals Glass bottles and jars Paper for shredding 	<ul style="list-style-type: none"> ELECTRONICS Containers over 5 gallons Ammunition Explosives Compressed gas tanks / propane tanks / oxygen tanks Gas cans (no exchange) PCB-related materials Asbestos materials Business / commercial / construction / municipal waste Medical / biological waste Radioactive waste Fire extinguishers Tires

FREE ELECTRONICS DISPOSAL AT NORTH POINTE & SOUTH VALLEY UTAH SOLID WASTE DISTRICT APRIL 6 - 20

Mayor's Message

If you've driven or walked around Deerfield Elementary recently, you've probably noticed that construction has already begun on Harvey Park. The City Council approved a bid for Phase I, which includes a splash park; playground; pickleball, tennis, and basketball courts; a baseball diamond; and field space for sports such as soccer, football, and lacrosse.

The final design for the park was based on feedback received from residents in a city-wide survey sent in 2017

and a subsequent city event where conceptual plans were shown and residents had an opportunity to weigh in on the plans. The final result incorporates the elements that received the highest number of votes with the goal to accommodate as much outdoor play and recreation as possible. Additionally, the park connects to the Murdock Canal Trail, aligning with city plans to have trails connecting our parks for better pedestrian access.

Mayor Jenney Rees

We are excited to see construction begin and are hopeful that some aspects will be completed for use this summer. Harvey Park will be an incredible addition to our city for years to come.

STORM WATER TIPS OF THE MONTH

Fertilizing When Rain Is Expected

When we fertilize our lawns just before it rains, the fertilizer can be flushed into the storm drain system and pollute our fresh waters. It also causes excess algae to grow in lakes and streams that use up the oxygen that fish need to survive.

Everyone needs to be aware of the cumulative effects of lawn care practices.

How can you help? Use slow-release, low-phosphorus fertilizer, sweep (don't hose) any excess chemicals onto your lawn, and fertilize with caution when rain is expected.

IMPORTANT: Close PI Valve Before April 15!

Please make sure your main pressurized irrigation is in the CLOSED position **before April 15**. Doing so will protect the pipes and sprinkler heads from damage when the high-pressure system is activated. During energizing and loading of the system there will be fluctuations in pressures that may affect individual systems if they are left open.

Don't Place Dirt, Debris, and Material on Street

It is unlawful to place or spill without immediately cleaning up dirt, debris, or material on public street or sidewalks. If dirt/mud is tracked onto a public street, the violator shall have (12) hours to clean the street.

Electronic Disposal

Free electronic disposal is available between **Saturday, April 6** and **Saturday, April 20** at the North Pointe Solid Waste District Facility, 2000 W 200 S, Lindon, UT 84042, and the South Utah Valley Solid Waste District Facility, 2450 W 400 S, Springville, UT 84663.

Sun Is Out - Signs Are Up!

Remember the following guidelines to help keep the city looking clean and beautiful:

- City-approved signs may be placed on private property only. Get permission from property owner first.
- Signs of any type that are placed in the city's right-of-way will be removed, including on utility poles, historical markers, trees, and traffic signs.

The complete sign ordinance may be obtained at the city office or viewed on the [city website](#).

Annual Service Day Set for May 18

Each year, the Beautification Committee provides opportunities to participate in service projects in our neighborhoods, parks, and other areas. This year's project will be on **Saturday, May 18**. Meet at Heritage Park, 4425 W Cedar Hills Drive, at 10:00 a.m. Please bring gloves, shovels, rakes, and hand trowels with you to use in the project. Pizza will be served at 1:00 p.m. to all Service Day volunteers after the work is completed. **Please submit a quick form at cedarhills.org/service2019 to register to participate as volunteers.** We need you! Get involved. For more information, call or text Boyd Wilkins, Beautification Committee chair, at 801-822-7601.

2018 Water Quality Report

The city's constant goal is to provide a safe and dependable supply of drinking water by continually improving the water treatment processes and protecting our water resources. The most recent Drinking Water Quality Report for the City of Cedar Hills can be viewed on the [city website](#).

Lawn Watering Guide

A typical Utah lawn has a water demand curve that begins in mid-April, rises to a peak in July, and then falls rapidly until mid-October. Adjusting your timer monthly to better follow this demand curve will save water. An easy way to do this is to keep the minutes constant and increase or decrease the number of days between waterings as shown below. (Double time for rotary sprinklers.)

April	May	June
No irrigation recommended	21 min. every 4 days	21 min. every 3 days

Landscape Watering Restrictions

The city continues with outdoor watering conservation measures for all residential water users. Residents with odd-ending house numbers will water **Mondays, Wednesdays, and Fridays**. Residents with even-ending house numbers will water **Tuesdays, Thursdays, and Saturdays**. Spot watering with a hose is allowed on Sundays for everyone. Restrictions are enforced with a warning for the first violation, a \$50 fine for the second violation, and a \$200 fine for the third and subsequent violations. The policy is in effect from April 15 to October 15. Commercial, church, park, and golf properties may be on different schedules, including daytime watering, to offset water demand.

As we begin another watering season, we encourage everyone to implement water conservation practices. Visit conservewater.utah.gov for info about water-wise plants and other methods of conserving water. Water is not a renewable resource, so we need to use it wisely!

2019 Municipal Election

A municipal election will be held this year for three city council positions, all four-year terms. The candidate filing period is between **Monday, June 3** and **Friday, June 7**. Interested persons may file for office with the city recorder at the Cedar Hills city office, 10246 N Canyon Road, during the hours of 8:00 a.m. to 5:00 p.m. A \$35 filing fee is required.

New Face at the City Office

Sarah Sampson is our new building department assistant. Sarah was born and raised in Payson, UT, and currently lives in Cedar Hills. In her free time, Sarah loves to ride dirt bikes with her family. This passion for bikes carries into her daily life as she and her husband ride street motorcycles as well. Just recently hired, Sarah enjoys working with amazing people who genuinely love this city.

LEGO Summer Camp Registration

Dive into massive collections of LEGOs to build elaborate objects and explore fundamental principles of engineering and physics. Kids learn to collaborate and create without fear of mistakes. The overall experience is joyful; the impact long lasting.

Register online at cedarhills.org/recreation. Questions? Email brianna@play-well.org or call 801-872-3576.

Science Camp

This camp offers all new experiments that teach students about chemistry and matter. There are no prerequisites. Every week, students will participate in amazing, hands-on experiments, and get take-home activities like exploding “bomb” bags and slime. Camp will take place between **Monday, June 10** and **Thursday, June 13** from 1:00 p.m. to 4:00 p.m. Register for \$99 at cedarhills.org/recreation.

2019 Family Festival Pickleball Tournament

Come join us for our 4th annual pickleball tournament held on **Friday, June 7** and **Saturday, June 8** at Burgess Park in Alpine. We will have mixed doubles 3.0 to 3.5 played on Friday morning with mixed doubles 4.0 to 5.0 being played Friday evening. Women’s and Men’s doubles will be played on Saturday. All participants will be entered into a drawing to win a Selkirk Amped paddle as well as a Selkirk gift card. Onix paddleballs will be the official ball used. Registration is \$30 per event at Rec1.com. Register before May 15 for \$5 off per event.

A schedule of all additional Family Festival events can be found on the [city website](#).

Talk Shop with a Cop

Sir Robert Peel formed the first professional police department in England in 1829. One of Sir Robert Peel’s key principles was that “the police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence.” Sir Robert Peel made it clear that the public and the police have a joint responsibility to work together to keep communities safe and to prevent crime. The public and the police need each other to be effective, which is a key component of the Neighborhood Watch program. If you would like to start a Neighborhood Watch in your area, please contact Sgt. Josh Christensen at the police department.

If you have any questions, e-mails may be sent to policetalkshop@afcity.net.

Register for sports leagues and recreation classes at cedarhills.org/recreation using Rec1.com. Questions? Call 801-785-9668, ext. 302.

T-Ball and Coach Pitch

T- Ball, for kids 4 and 5, is \$25 and includes a T-shirt. Coach Pitch, for kids 6 and 7, is \$30 and includes a T-shirt and a hat. Games begin the first week of June and play through the end of June.

Lacrosse

Cedar Hills Recreation partners with Central Utah Youth Lacrosse for BOYS in grades 3-8. No prior experience required. The season consists of six games against regional teams from Orem to Mapleton. All equipment, which is available for rent or purchase from any sports store, is the responsibility of the participant. Mouth guards are mandatory.

NEW After-School Science Class

This Evil Scientist Academy will have students participating in hands-on simulations of natural disasters like earthquakes, tornadoes, and tsunamis while exploring the science behind these catastrophic events. Class is for students in grades K-6, and will take place every Tuesday beginning **April 16** from 4:00 p.m. to 5:00 p.m. at the Community Recreation Center, 10640 N Clubhouse Drive.

NEW Mindfulness Meditation Class

Mindfulness Meditation Practice begins with anchoring at our breath, then progressing with anchoring at our bodies, and finally anchoring on our emotions. This three week course will take place on Tuesdays and Thursdays from 9:30 a.m. to 10:30 a.m. at the Community Recreation Center. Register now for \$30. Classes begin **April 16**.

NEW Stretch Class

Stretch is a move-better, feel-better system of stretches and movements to help you do everything else in life easier. It's also a full body, dynamic workout focusing on stretching, balance, core strength, and breath. Classes will take place every Tuesday beginning **April 16** at the Community Recreation Center. Registration is \$4 per class, first class is free.

Cedar Hills Jr. Jazz Playoff Champions

7th grade champions back row from left: Ammon Bragonje, Christian Halverson, Harrison Meacham, Will Daines, Austin Stroud and Vince Stroud. Front row from left: Davis Kearns, Bennett Cox, Isaac Leslie, and Jacob Gustavson.

8th & 9th grade champions back row from left: Gavin Low, Josh Vail. Middle row from left: Lance Locken, Andrew Hillam, Brayden Johnson, Carter Sanders, Chase Karren. Front row from left: Ian Strauss, Jayden Reckling, Ben Smith.
