Bob and Linda Morgan moved their family from Scottsdale to the beautiful city of Cedar Hills 18 years ago. We have all seen some tremendous changes thru the years.

What a great city it is. We have weathered many a storm, and we are still standing more vital than ever.

Thirty-plus years in the automotive industry, running a 200 + million-dollar businesses gives him insight into budget management, collaboration, and the importance of teamwork.

Every opinion counts if you are to make a decision that is best for the company or the city.

Bob currently owns Disruptive Leadership. The need for disruption in how people are managed could not be more urgent. His leadership academy, Ten Disciplines of Leadership, teaches managers of all types how to start on the path to authentic leadership in business, life, and community.

He has authored several training manuals and two books. One was a bestseller on Amazon. (999,965 best seller but still a best seller.)

He loves our city and is committed to keeping it great while still providing a forum for all. We all matter.

It would be an honor to serve Cedar Hills.
