Welcome all!

I'm a wife, mama to 4, Christian, journalist, State Delegate, and I'm running for Cedar Hills City Council. I'm excited to get to know more of you and hear your ideas on how to better our city.

I stand for supporting your family's individual rights as upheld by our state and nation's Constitution. I have a background in journalism and PR, as I was a reporter for several years and served as a PR Director for multiple brands. I will use these skills to be an asset to our community by bringing in fresh ideas and collaborations that will benefit our local economy.

We have a lot of work to do to make our golf course a profitable asset of Cedar Hills. We need to be taking a look into at our budget to make sure that we keep spending in check, while balancing the wonderful quality of life we enjoy in this beautiful city. Vote for me if you want a true representative who will stand for you and listen to YOU, because that is why government exists.

Please send any questions and ideas you have to BLforCH2022@gmail.com and enjoy your day!
