Hello! My name is Laura Ellison, and I am the newest member on the Cedar Hills City Council. I was appointed in February of this year, and I hope to be able to continue serving the community in this capacity.

I have more than 16 years of experience in public service with 14 of those years on the FISD School Board in Frisco, TX. I served as board secretary for 7 years and stood firm on fiscal responsibility. I worked on many sub-committees such as long-range planning, curriculum, zoning, transportation, policy and more. During my tenure I helped oversee a \$450+ million budget, helped build 55 schools and worked with the Frisco City Council and Mayor on zoning and land issues to help manage the fast-growing city. I believe that honesty, transparency, and integrity are vital in public service.

My husband Nate and I have been married for 31 years and we are both BYU graduates. We have 4 wonderful children with our youngest still living at home. We have lived in Cedar Hills for 9 years and have loved every minute of it.

I would appreciate your vote and support in this upcoming election. Thank you.
