I am Denise Andersen, and I am running for the office of Mayor of the City of Cedar Hills. I have been serving as mayor since January 2021, when I was appointed to fill Mayor Rees' open seat. Before serving as mayor, I served on the city council from June 2017 to January 2021. I have served on various committees as a council member, including the Central Utah 911 Board and the Utah Lake Commission. I have loved being involved in the positive growth and development that has occurred in the city over the past several years. Our commercial zone is coming along, and our golf course has an excellent reputation throughout the area. But mostly, I have enjoyed getting to know more residents and make new friends.

My husband Mark and I moved to Cedar Hills in 1992, and have raised our 6 kids here. These deep roots are what make me so dedicated to the future of this great city. In serving I have seen firsthand the stability of the city, and its ability to continue to grow stronger through community every year. I want to be a part that growth by continuing to serve as your mayor.
